

## LINEA 900 48VDC 8W 3000K 1040LM (copie)

Order reference

**471019BW30**

### Light Source

|                    |        |
|--------------------|--------|
| LED type           | COB    |
| Power              | 17W    |
| Nominal LED flux   | 1650lm |
| System output flux | 1320lm |

### Power Supply

|                |             |
|----------------|-------------|
| Dimming method | PWM/CASAMBI |
|----------------|-------------|

### Product

|           |                   |
|-----------|-------------------|
| Materials | Die-cast aluminum |
| Finish    | Black             |

### Optics

|                |               |
|----------------|---------------|
| Angles         | 50°           |
| Optical system | Lentille PMMA |

### Installation

|          |                           |
|----------|---------------------------|
| Mounting | Montage sur rails Binarío |
|----------|---------------------------|
