Bestelreferentie

**6011014**

### Bron

|                    |             |
|--------------------|-------------|
| Type LED           | SMD         |
| Vermogen           | 20W         |
| Kleurtemperatuur   | 2700K-3000K |
| Systeemlichtstroom | 1010        |

### Voeding

|            |        |
|------------|--------|
| Voeding    | AC230V |
| Dimbaar    | Ja     |
| Dimmethode | TRIAC  |

### Product

|                  |                   |
|------------------|-------------------|
| Materialen       | Aluminium + staal |
| Afmetingen in mm | Ø330x1680         |
| Werktemperatuur  | -20°C +50°C       |

### Optiek

|                 |                  |
|-----------------|------------------|
| Hoeken          | 360°             |
| Optisch systeem | Diffuseur opalin |
