

## LINARO

Order reference

**6260152**

### Light Source

|                    |         |
|--------------------|---------|
| LED type           | SMD     |
| LED brand          | Philips |
| Power              | 4W      |
| Colour temperature | 2700K   |
| System output flux | 231     |

### Optics

|                |             |
|----------------|-------------|
| Optical system | verre opale |
|----------------|-------------|

### Installation

|             |        |
|-------------|--------|
| Cable gland | Double |
|-------------|--------|

### Power Supply

|              |        |
|--------------|--------|
| Power supply | AC230V |
| Driver       | Incl.  |
| Dimmable     | No     |

### Product

|                       |                       |
|-----------------------|-----------------------|
| Materials             | Die-cast aluminum     |
| Finish                | Structured anthracite |
| Paint                 | Powder coating        |
| Dimensions in mm      | 33x50x190             |
| Operating temperature | -20°C +40°C           |
