

## ZENO

Bestelreferentie

**6425200**

### Bron

|                        |                  |
|------------------------|------------------|
| Type LED               | COB              |
| LED-merk               | Evercore         |
| Vermogen               | 5                |
| Kleurtemperatuur       | 2700K-3000K      |
| Geïntegreerde selector | Kleurtemperatuur |
| Systeemlichtstroom     | 440 - 450lm      |
| Levensduur             | L80 B20 40.000H  |

### Voeding

|            |        |
|------------|--------|
| Voeding    | AC230V |
| Dimbaar    | Ja     |
| Dimmethode | TRIAC  |

### Product

|                  |                                |
|------------------|--------------------------------|
| Materialen       | Aluminium                      |
| Afwerking        | Structuur zwart                |
| Lak              | Poedercoating                  |
| Oriëntatie       | Vertical 355° - 90° Horizontal |
| Afmetingen in mm | Ø40x120 (tube)                 |
| Gloeidraadtest   | 650°                           |
| Werktemperatuur  | -20°C / +40°C                  |

### Optiek

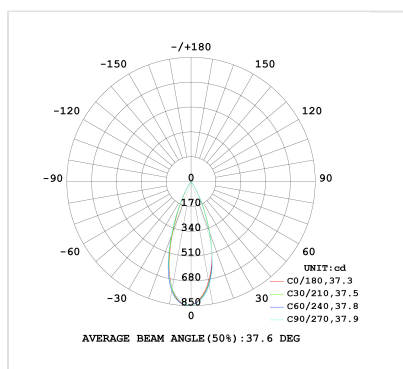

|                 |          |
|-----------------|----------|
| Hoeken          | 36°      |
| Optisch systeem | Lentille |

### Installatie

|             |                            |
|-------------|----------------------------|
| Bevestiging | Adaptateur rail 1 allumage |
|-------------|----------------------------|
