

## ARTELINE

Bestelreferentie

**804063**

### Bron

|                    |         |
|--------------------|---------|
| Type LED           | SMD     |
| LED-merk           | Samsung |
| Vermogen           | 20W     |
| Kleurtemperatuur   | 3000K   |
| Systeemlichtstroom | 2200lm  |
| LM/W               | 110     |

### Voeding

|              |              |
|--------------|--------------|
| Voeding      | AC230V       |
| Driver       | Geïntegreerd |
| Driverstroom | 500mA        |
| Dimbaar      | Nee          |

### Product

|                  |               |
|------------------|---------------|
| Materialen       | Aluminium     |
| Afwerking        | Wit           |
| Afmetingen in mm | 687x33x52     |
| Werktemperatuur  | -20°C / +45°C |

### Optiek

|                 |                  |
|-----------------|------------------|
| Hoeken          | 100°             |
| Optisch systeem | Diffuseur opalin |

### Installatie

|             |                             |
|-------------|-----------------------------|
| Bevestiging | Adaptateur rail 3 allumages |
|-------------|-----------------------------|
